

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 8, 2011

TO: Honorable Larry Phillips, Chair, House Committee on Transportation

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: SB19 by Nichols (Relating to the development, financing, construction, and operation of certain toll projects.), **As Engrossed**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend the Transportation Code to revise and replace existing laws relating to the development processes for certain toll projects and the valuation of toll projects under a comprehensive development agreement or other public-private partnership arrangement. The bill would require a local toll project entity to reimburse the Texas Department of Transportation (TxDOT) for the use of state highway right-of-way or access under certain procedures established by the bill.

Based on the analysis of TxDOT, it is assumed that duties associated with implementing the provisions of the bill could be absorbed within existing resources.

Local Government Impact

According to the Grayson County Regional Mobility Authority, there would be no fiscal impact associated with the provisions of the bill. The North Texas Tollway Authority reported the authority does not anticipate a negative fiscal impact associated with the provisions of the bill.
